Stitch Along Part 2 - 2/24/12 - 3/2/12

Fabric: Aida
Grid Size: 25W x 25H
Design Area: 1.79" x 1.79" (25 x 25 stitches)

This is the bottom right corner, so it should be stitched to the right of Part 1 with the edges plush. Again, you can stitch it any way you like.

You can continue to use the same 9 shades/colors you were using before, or you can choose some new colors to switch it up a little bit.The legend on the chart starts with the darkest color on top (just an FYI).

This part of the stitch-along starts on Feb. 24, 2012 and the third part will be posted on Mar. 3. So you have a week to complete it if you want to keep up.

When you are finished with this part of the pattern, take a picture and post it to Cherry Lane Designs on Facebook. I'll make an album of everyones projects.

I'm encouraging you to break the rules! Have fun!
